

# Sri Lanka Sustainable Energy Authority

Form T1: Application for Resource Allocation and an Energy Permit for a Power Plant  
with an SPPA existing on the Appointed Date of the Act

For use by SEA

SEA Reference number SEA/REP	A	-							
------------------------------	---	---	--	--	--	--	--	--	--

Resource Allocation No.	R												
Permit No.	EP												

## Application for Resource Allocation and a Permit for an On-Grid Renewable Energy Project with a valid SPPA as of 1<sup>st</sup> October 2007

**1. Project Type:** Please mark ✓ in the appropriate box below. Please select **only one type**.

Hydro	Biomass (grown)	Waste (agricultural, industrial, waste heat)	Other (please specify):
-------	-----------------	--	-------------------------

**2. Name of the Project:** \_\_\_\_\_  
(as stated in the Power Purchase Agreement or other approvals. If alternative names exist, please state all such names)

**3. Name and Address of the Applicant**

Name: (Mr/Ms/.....): \_\_\_\_\_

Company name stated in the Small Power Purchase Agreement  
\_\_\_\_\_

Designation in the Company: \_\_\_\_\_

Address: \_\_\_\_\_  
\_\_\_\_\_

Telephone numbers: \_\_\_\_\_ Email: \_\_\_\_\_

Land	0												
Fax	0												
Mobile	0												

**4. Project Information** – Please fill-in the information requested under the project type selected in item 1 above, in the attached sheet.

**5. Certification**

- I attach the receipt number .....dated ..... for the payment of Rs 2500/- as the Processing Fee for the Application and Rs 50,000/- as the Royalty payable for the Renewable Energy Permit.
- I certify that I or any other party connected to me have not previously submitted an application for an Energy Permit for the same renewable energy project or resource described in this application.
- I have read the “Guide to the Project Approval Process for On-Grid Renewable Energy Development”.

Name of person signing this application \_\_\_\_\_

Signature \_\_\_\_\_ Date: \_\_\_\_\_  
DD-MM-YYYY

## Sri Lanka Sustainable Energy Authority

Project Information	Project type: Hydro/Biomass/Other
Date of signing the Small Power Purchase Agreement	(day, month, year)
<b>If the Power Plant was operational as of 1<sup>st</sup> October 2007, please answer the following:</b>	
Commercial Operation Date (or the month of first invoice issued to CEB)	(day, month, year)
Last date of Commercial Operation (fifteen years from the Commercial Operation Date)	(day, month, year)
<b>If the Power Plant was NOT operational as of 1<sup>st</sup> October 2007, please answer the following:</b>	
Is the power plant operational now ?	Yes/No.
If it is operational, what was the Commercial Operation Date ? (or the month of first invoice issued to CEB)	(day, month, year)
If it is NOT operational, what is the Commercial Operation Date stated in the SPPA ?	(day, month, year) [if the Commercial Operation Date stated in the SPPA has already lapsed, a new SPPA has to be signed, Permit issued will be similar to a new Project]
If it is NOT operational, what is the intended Commercial Operation Date ?	(day, month, year)
<b>Fill the following information irrespective of whether the Power Plant is operational or not</b>	
Power generation capacity (as stated in the Small Power Purchase Agreement)	kilowatt
Name of stream/ river	
Location of the power plant: provide the details below	
Village/ Grama Niladhari Division	
Divisional Secretary Division	
District	
Topographical Sheet No & Name (1:50,000)	

Please attach:

1. A copy of the Small Power Purchase Agreement
2. A copy of the CEB letter confirming the Commercial Operation Date has been achieved (if the power plant is operational)
