

ATTENTION

MANUFACTURING, IMPORT AND DISTRIBUTION OF LED MODULES, PEDESTAL FANS, WATER PUMPS, TELEVISIONS, AIR CONDITIONERS, REFRIGERATORS, RICE COOKERS, WASHING MACHINES AND ELECTRIC MOTORS

Powers vested with the Sri Lanka Sustainable Energy Authority (SLSEA) by the Act, No. 35 of 2007, requires the Sri Lanka Sustainable Energy Authority to introduce energy labels depicting the energy performance of the appliances which use electrical or other forms of energy.

Sri Lanka Sustainable Energy Authority hereby requests all the Local Manufacturers, Importers and Distributors of LED Modules, Pedestal Fans, Water Pumps, Televisions, Air Conditioners, Refrigerators, Rice Cookers, Washing Machines and Electric Motors and any other party who wishes to engage in the said activities to register with SLSEA as a requirement of the appliance energy labelling programme of Sri Lanka. You are required to be closely engaged with SLSEA in future programmes. Accordingly please provide the Company Name, Address, Email and Contact Number through the following Telephone number or Email address on or before 25th November 2022.
