

Selection of a Consulting firm for “Conducting Bird Collision Risk Modelling using Existing Avifaunal Data for the Proposed Veravil Wind Power Project”

Procurement No : SEA/PD/R&D/01-2026

Pre-Bid date : 27th of April 2026

Venue : Board room, SLSEA

S.No	Clarifications from Bidders	SLSEA Response
01	Requesting for the sample data	<p>SLSEA will provide sample data for one VP location covering one survey period (36 hours). There are 10 VP locations in total (6 locations for the wind farm and 4 locations for the transmission line). Data from VP 1 (wind farm location) will be provided only to bidders who have purchased the bid document and shared a copy of the receipt with the Procurement Division.</p> <p>VP 1 Coordinates: 09° 19.098' N, 80° 8.507' E.</p>
02	The tentative date for starting the assignment	2 nd or 3 rd week of June 2026 (Depends on the recommendations of the CPCD)
03	Has the EIA been carried out? If so, is it possible to obtain the document at the proposal development stage, or will you provide it only to the winning party after the contract has been awarded?	<p>Yes, the EIA has already been completed. Please note that, at present, SLSEA have only completed the EIA and have not yet obtained approvals from the relevant agencies. The required approvals will be sought after the completion of the Bird Collision Risk Modelling.</p> <p>At this stage, SLSEA is unable to share the full EIA report and the avifaunal survey report. However, can provide one survey period dataset of avifaunal survey only to bidders who have purchased the bid document and shared a copy of the receipt with the Procurement Division. The complete dataset will be provided to the consultant selected for the assignment.</p>
04	<p>Clarification regarding the Technical Evaluation criteria outlined in Section 5.2 of the RFP for the "Selection of a Consulting Firm for using Existing Avifaunal Data for the proposed Veravil Wind Power Project."</p> <p>The document states: "The minimum technical score (St) required to pass is: 70 Points including a minimum of 50% from criterion i)."</p> <p>Please confirm if this criterion refers specifically to the firm's institutional experience or if the qualifications and past experiences of the Key Professional Staff are eligible to satisfy this requirement.</p>	<p>Criterion (i) pertains to the specific experience of the consultants. (Which means Institutional Experience)</p> <p>The key professionals' experience will be evaluated as mentioned in Clause 5.2, Criterion (iii).</p>
