## Sri Lanka Sustainable Energy Authority (SLSEA)

# Invitation for BIDS

## Purchase of "Portable instrument set for compressor efficiency testing, Steam trap tester and Power logger CT for the Instrument Bank of SLSEA"

Procurement Number: SEA/PD/ISS/19-2026

Sri Lanka Sustainable Energy Authority is maintaining an instrument bank to facilitate energy measurements during energy audits or any energy consultancy services. These instruments are hired for outside parties and used by the authority during energy audits. Since measuring of parameters is critical in energy auditing activities, having a well-maintained instrument bank is utmost important. SLSEA as one of the focal government institute who is having a well maintained instrument bank, need to calibrate the existing instruments on time and purchase new advanced instruments to meet the requirements of the customers.

1. The Chairman, Department Procurement Committee invites bids from suitable companies under National Competitive Bidding for **Purchase of "Portable instrument set for compressor efficiency testing, Steam trap tester and Power logger CT for the Instrument Bank of SLSEA"**
